

## **Burlington County Health Department Inspection Results Key**

**Satisfactory:** The establishment is found to be operating in compliance with N.J.A.C. 8:24 and food service personnel have demonstrated that they are aware of and are practicing sanitation and food safety principles as outlined in this chapter.

**Conditionally Satisfactory:** At the time of the inspection the establishment was found not to be operating in substantial compliance with N.J.A.C. 8:24 and was in violation of one or more provisions of this chapter. Due to the nature of these violations, a reinspection shall be scheduled. The reinspection shall be conducted at an unannounced time.

**Unsatisfactory:** Whenever a retail food establishment is operating in violation of 8:24, with one or more violations that constitute gross insanitary or unsafe conditions, which pose an imminent health hazard, the health authority shall issue an unsatisfactory evaluation. The health authority shall immediately request the person in charge to voluntarily cease operation until it is shown on reinspection that conditions which warrant an unsatisfactory evaluation no longer exists.
